

Ralph. 2 days ago. I got your letter.  
and. had. \$1200 check.

Building Video Synthesizer is going on now.  
and. it will have 3 Audio generator inside  
of it. and new one is relatively smaller than  
former model. I will finish it by end of  
March.

Now. My plan. to go to BGM. N.Y. was.  
Crashed. my boss changed his decision.  
Nobody will be in N.Y. . . . .

I am sorry. if I could have this chance. it <sup>could</sup> ~~be~~  
be nice for E.T.C. , Nam June ... and for me.

Maybe I would find new chance or. <sup>my</sup> plan to go to  
there , ... perhaps ... end of this year . . . . .

Thanks lot.
